Changes in reg.tax with upgrade of wheels and packages

\* Depending on the environmental conditions, a temporary peak of the combustion engine power is provided, which can be approx. 10% above the rated power. The duration of the peak performance increases with falling ambient temperature (approx. 5 s at +25 °C, approx. 40 s at -20 °C).

En oversikt over drivstofføkonomi og CO<sub>2</sub>-utslipp med data om samtlige nye personbiler finnes tilgjengelig på [www.vegvesen.no](http://www.vegvesen.no) (Nybilvelgeren). Tilgang til oversikten fås gratis på alle utsalgssteder. Et kjøretøys drivstofforbruk, CO<sub>2</sub>-utslipp og rekkevidde bestemmes ikke bare av dets energieffektivitet, men også av kjørestil og andre ikke-tekniske faktorer. CO<sub>2</sub> er den viktigste drivhusgassen som er ansvarlig for den globale oppvarmingen. Oppgitt NOx-utslipp representerer ikke reelle utslipp da disse vil påvirkes av ulike faktorer, eksempelvis kjørestil og temperatur. Dette gjelder spesielt for dieselkjøretøy. NOx påvirker lokal luftkvalitet og har en negativ effekt på helsen.

Verdiene for CO<sub>2</sub>-utslipp, drivstofforbruk og elektrisk rekkevidde er beregnet i henhold til den nye WLTP-reguleringen. Mer info om WLTP finnes på [www.bmw.no/wltp](http://www.bmw.no/wltp) I tillegg til bilens kjøpesum dekker kjøper engangsavgift ved registrering av bilen, samt eventuelle endringer av denne som tilkommer i tiden mellom kontraktsinngåelse og registreringstidspunktet. Tekniske data og engangsavgift nevnt i denne prislisen gjelder standard bil uten ekstrautstyr. Omfanget av valgt ekstrautstyr påvirker bilens endelige CO<sub>2</sub>-utslipp og elektriske rekkevidde, og følger beregningen av engangsavgiften. Dette medfører at engangsavgiften blir høyere jo mer omfattende ekstrautstyr man velger. BMW Norge AS tar derfor forbehold om at engangsavgiften kan øke av de nevnte eller andre grunner.

Prisene er ferdig registrert og inkl. vrakpant. Frakt og leveransekostnader (13800) levert til forhandler (Førnebu) er inkludert. Prislister gyldig fra 01.01.2021

Denne prislisen erstatter alle tidligere prislister. BMW Norge AS tar forbehold om trykkfeil og forbeholder seg retten til å endre priser og spesifikasjoner uten forvarsel.
